Dear Mr. Proby:

I was recently on a field trip to the Emergency Operation Center. I want to thank you for choosing us to be the first elementary school to go to the EOC. I can say, myself, that it was an experience I will treasure forever. I also want to thank you for telling us how to prepare for a hurricane. Hurricanes are huge disasters, and I have never known how to protect myself from a hurricane, but now I do, all because of you! I'm also glad that you helped us on some situations that we had a hard time figuring out what

we or our job was to do. So thank you  
for everything you did for me to  
experience that.

By the way my job was Mass Care,  
and I was a team leader. I had a  
wonderful team that worked extremely  
hard.

Sincerely yours,
